

Photographs

Inspired by forest, gardens and ferns, guests to Chestnut Hill Conference Lodge have been generous in forwarding a selection of their photographs. They are gathered for viewing under the categories to the left of this text.

For travellers and visitors to the Dandenongs, there are photographs of the local area. Also previous owners have supplied old photographs to maintain an historic record.

We particularly thank John Rose of the Royal Historical Society of Victoria for his contributions which are a result of research into the Kennon family (1908-1938).

Should you wish to use any of these photographs, we ask that you contact our office to first seek permission from the individual owner of the photograph.
